Mr. Norman Shapiro, in the office of Representative William  
25X1 Moorhead (D., Pa.), to let him know that a final response  
was sent today to [REDACTED] a constituent of special

25X1 10. [REDACTED] LIAISON Stuart Jones, in the  
office of Representative Robert Duncan (D., Ore.), called  
to request information about the availability of unclassified  
Agency publications for the Congressman. Since he already had  
25X1 a DOCEX listing of Agency publications, I suggested that he  
select those that the Congressman had an interest in and we  
would be happy to send them to him.

25X1 12. [ ] BRIEFING Jim Fellenbaum, Senate Appropriations Committee staff, relayed a request from George Patten, Legislative Assistant to Senator Lawton Chiles (D., Fla.), for a briefing of the Senator on the recent newspaper story about Soviet MIG-23s in Cuba. The Senator apparently has an urgent need for this information. On advice of [ ] NFAC/CSS, I called Patten and told him we would be happy to provide any information there is to the Senator and asked if it was urgent enough to consider sending someone down to Florida. He said he would call back. 25X1

25X1 13. [ ] LIAISON Received a call from Duane Andrews, House Permanent Select Committee on Intelligence staff, who requested a briefing for himself and Martin Faga, also of the Committee staff, on the numbers of supergrades in the Intelligence Community. They are commencing a study of this subject as a result of the 1979 budget hearings. The meeting is set for 9 November with representatives from the Office of Personnel and the Comptroller's office.

25X1 14. [ ] LIAISON [ ] DIA, called to alert us to the fact that Larry Smith, Senate Armed Services Subcommittee on Research and Development staff, is no longer on that Subcommittee staff and is now on the personal staff of Senator Gary W. Hart (D., Colo.). 25X

25X1 15. [ ] LIAISON Met with Tom Latimer and Loch Johnson, House Permanent Select Committee on Intelligence staff, in response to their follow up request in connection with some of the basic essentials relating to the 1 November 1978 Presidential Finding. Latimer is not confident that they could obtain approval of a reprogramming request in the near future because of the absence of Members.

25X1 16. [ ] LIAISON Met with Jack Brady, Chief of Staff, House International Relations Committee, in response to his request in connection with some of the basic essentials relating to the 1 November 1978 Presidential Finding. He foresaw no problems.

25X1 17. [ ] LIAISON Met with Jim Fellenbaum, Senate Appropriations Committee staff, in response to his request in connection with some of the basic essentials relating to [ ] He seriously questioned the reprogramming aspects of the proposal. 25X1

25X1 17. [ ] LIAISON I called the office  
of Representative Bill Gradison (R., Ohio) and spoke with  
25X1 Mr. Andy Garvey about the Congressman's recent letter to  
Mr. Frederick P. Hitz indicating that the Agency had made  
no response to written requests for information by [ ]

[ ] After explaining to Mr. Garvey that we are unable  
to locate a written request and that there is a package of  
material relating to the subject of UFOs that we regularly  
send out to requesters (at a cost of \$11.80 for copying  
charges), Mr. Garvey asked that I put all this in a letter  
to Mr. Gradison and they in turn would send a copy to  
25X1 [ ] so that [ ] could make direct contact  
with the Agency. We agreed that this would be the best  
way to handle the inquiry.

25X1 18. [ ] FAA ALERT I alerted the  
following of the [ ] Bill  
Miller, Senate Select Committee on Intelligence staff; Jim  
Fellenbaum, Senate Appropriations Committee staff; Norvill  
Jones, Senate Foreign Relations Committee staff; Tom Latimer,  
House Permanent Select Committee on Intelligence staff; Chuck  
Snodgrass, House Appropriations Defense Subcommittee staff;  
and Jack Brady, House International Relations Committee staff.  
(See Memorandum for the Record.)

25X1 19. [ ] LIAISON In a conversation with  
Sam Hoskinson, NSC staff, I learned that Chairman Birch Bayh  
(D., Ind.), Senate Select Committee on Intelligence, had made  
a commitment to meet with Senator George McGovern (D., S. Dak.)  
to assert that jurisdiction of the intelligence aspects of his  
SAVAK inquiry resides in the Senate Select Committee. This  
commitment was precipitated by a meeting between Robert Lipshutz,  
Counsel to the President, and Chairman Bayh today.

25X1 20. [ ] LIAISON Called Joseph  
Frumkin, on the staff of Senator H. John Heinz III (R., Pa.)  
and confirmed the narrow parameters that the Agency will  
respond to the GAO letter to the Agency inquiring as to the  
extent to which research is conducted on the Soviet Union. GAO  
is conducting the inquiry at the request of Senator Heinz. NFAC  
is preparing the response. (See Memorandum For the Record dated  
21 October 1978.)
